Sample Itinerary for Winter Tours

(Activities may vary depending on dates selected, group interest, and weather)

Day 1:
Arrival and pickup in Bolzano. Enjoy a happy hour as our guests at our hotel. It's the perfect opportunity to start planning tomorrow's activities. Dinner with your family and friends this evening. Take a moment to take in the fresh mountain air before turning in for the night.

Day 2:
Depending on your arrival time on day 1, we'll coordinate your equipment rental before you hit the slopes today. There will be an excursion to the local village for non/skiers where you can enjoy the character and beauty of the medieval village of Kastelruth. Top off the day with dinner and perhaps an informal gathering in the bar to share experiences.

Day 3:
For skiers it's off to the slopes this morning. For non/skiers enjoy a sleigh/ride through beautiful snowscapes, ending at our hotel where hot chocolate or coffee awaits! This afternoon both skiers and non skiers alike may want to enjoy the spa pool, Jacuzzi and saunas available at our hotel. After another delicious dinner, you may choose to enjoy a hot drink from the bar to cap off the day.

Day 4:
Today we head downhill to the city of Bolzano. In December, you can enjoy one of the finest Christmas markets this side of the Alps. All year, we invite you to enjoy the Museum of the South Tyrol, featuring Otzi, the 5000 yr. old ice man found on the Italian/Austrian border. You will have time to enjoy lunch on your own and time to browse the produce markets before meeting to return to our home base.

Day 5:
It's off to the slopes today. Spring skiers can enjoy the Sella Ronda Tour. During December, enjoy the Fiaccolata Notturna con Vin Brule (night skiing topped off with hot drinks). Non-skiers can learn the art of making a Regional specialty, Chef's choice! Everyone can enjoy the spa this afternoon before another satisfying dinner.

Day 6:
Ski this morning and enjoy the spa this afternoon. For spring skiers there is the ability to enjoy the Gardena round with skis. For non-skiers there may be another mountain village to explore. This evening spring skiers will enjoy your final dinner and a farewell drink in the bar, before departures tomorrow!

Day 7 (applies to December tours only)
Final day of skiing and spa time. Non/skiers can enjoy the slopes by sled or on foot; or simply curl up with a good book and watch the skiers go by. Tonight you enjoy a final dinner and drinks with family and/or friends.
